

ESAFORM 2025 International Conference

7-9 May 2025 – Paestum, Italy

<https://www.esaform2025.it/>

BECOME A SPONSOR

ESAFORM is the European scientific association with the mission to stimulate applied and fundamental research in material forming. Its annual conference aims to spread scientific and technological knowledge related to all manufacturing processes and all materials within academia and industry.

WHY SPONSOR THE ESAFORM 2025 CONFERENCE?

- Create opportunities and develop your business
- Meet and interact with material forming experts
- Create new links and partnerships in your field
- Build knowledge and expertise
- Discover and/or promote latest manufacturing technologies
- Be part of the ESAFORM community and help developing it

These tailor-made opportunities will help you design your participation and create meaningful connections with the 400+ expected delegates.
